BURGGRAAF GLOBAL

Where bloodlines define tomorrow

For more than 75 years, the Burggraaf family has passed its passion for pigeon racing from one generation to the next. What began in the family loft has grown into an international breeding operation built on one firm belief: exceptional pigeons prove their quality both through their own performances and through their offspring.

In 2026, Burggraaf Global returned to racing. Their first 16 races resulted in 12 first prizes. In addition, they achieved seven Top 5 finishes as 'Grandmaster', including two first-place finishes.

Performance, pedigree, conformation, vitality and breeding ability are at the heart of the selection process. In this way, Burggraaf Global continues to build on more than 75 years of family heritage while creating the champions of tomorrow.

Burggraaf Global – Where bloodlines define tomorrow.

GRANDMASTER RANKINGS 2026

Seven top 5 finishes in just 16 races, including two 1st-place Grandmaster finishes

Rank	Date	Race	Region	Distance
1st	30 Aug 2026	F35 Morlincourt–Noyon	Afd. 5 MHZ	285 km
